The objectives of the working trip are not specified.

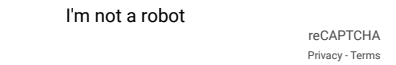

It should be noted that Roman Shayhutdinov, Minister of Informatization and Communications of Tatarstan, arrived in Switzerland earlier. The main purpose of the trip is to get acquainted with the objects of IT infrastructure in Switzerland. On the eve of Shaikhutdinov visited the unit of the European Organization for Nuclear Research CERN OpenLab, which is engaged in research in the field of information and communication technologies.

Today the head of the Ministry of Communications of the RT was visited by (http://mic.tatarstan.ru/rus/index.htm/news/1154497.htm) the largest Swiss scientific and technical park Y (Y-PARC-Swiss Technopole), located in Yverdon-les-Bains. The parties discussed the possibility of developing joint programs to support startup projects.
