Best Opportunity for B.Sc. & M.Sc. final year students

Research Self-Help Technology

## Applications now open for CERN OpenLab Summer Student Programme 2018

2018-02-06T23:05:16+00:00 Dr Sushil Kumar 0 Comments CERN OpenLab, Summer Student Programme

### Who should apply for CERN openlab Summer Student Programme [1] ?

Are you a B.Sc. or M.Sc. student (who will have completed at least three years of full-time studies at university level by next spring) in computer science, mathematics, engineering, or physics — with a strong computing profile? Would you be interested in working on an advanced IT project for two full months (nine weeks) during the period June-September 2018? If so, you should apply to the CERN openlab Summer Student Programme! [2]
