

# True Random Privacy

---

The team at RaP! Hackathon

# The Project

- True Random Privacy (TRP) Team
- Our fields of interest:
  - data privacy
  - image processing
  - keypoints detection and data governance
- The project : Differential privacy application
  - True random
  - Images
  - Features comparison

True  
Random  
Privacy

The Team

José

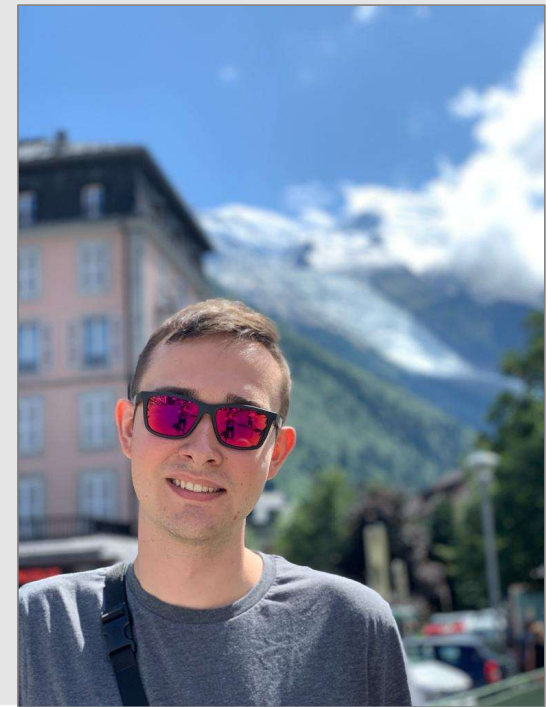

Cabrero-Holgueras

- 24, Spain
- Ph.D. candidate at CERN and University Carlos III of Madrid
- Homomorphic encryption
- Healthcare sector

True  
Random  
Privacy

The Team

Rustam  
Paringer

- 30, Russia, Ph.D.
- Senior researcher
  - Samara National Research University
  - IPSI RAS
- Image processing
- Pattern recognition
- Data mining

True  
Random  
Privacy

The Team

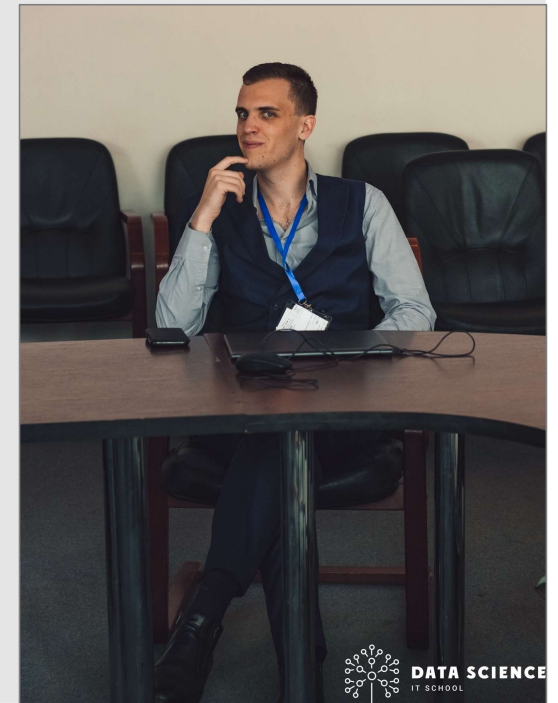

Yann  
Donon

- 27, Switzerland, Ph.D.
- Researcher
  - CERN
  - Samara National Research University
  - IPSI RAS
- IT security Officer
- Behaviour prediction
- Noised data manipulation
- Data governance

True  
Random  
Privacy

The Team

# Thank you!
